

**Ipssa region 9/ Red Cross                      2008**

**Safety campaign: Save a Life, Teach a Kid to Swim**

**At the last region meeting region 9 passed a motion to approve a safety campaign for the region. The campaign is simple, each chapter working with the Red Cross chapter in your city will raise funds for the year, at a time worked out by the chapter, the funds will be turned over to the Red Cross , to be used for sending underprivileged kids to swim camp. The Red Cross in the different cities will work out , finding the kids, setting up where the swim camp will be held, and how much it will cost for each kid to go. Flyers, posters, or other means to raise funds can be coordinated between the local IPSSA chapter reps and the rep from the Red Cross. Kym Lange is heading things up from the Red Cross, she has been given each chapter Presidents email address and will be getting the Red Cross rep in your city in touch with you to work things out. Or you may call her at 817-456-9792 or you may contact me for any info. Lance 214-882-5414**

**The success or the campaign in your city lies in your hands, how you promote it. In Dallas we will be putting posters and collection points up at the distributors, also at our meetings, we are also giving out envelopes and info pages ,to our members to hand out to their customers . Kym is also working with the Red Cross pr dept. to get TV air time to help. Again if you have any questions feel free to contact me or Kym.**

**Sincerely Lance Rust**
